

A WORLD CLASS IRISH WHISKEY

WRITERS' TEARS

COPPER POT

IRISH WHISKEY

Turn of the century Dublin was home to many esteemed Irish Writers and Playwrights who often sought creative inspiration at their local watering holes. Literary success was achieved as much from generous consumption as artful composition – and legend has it, the artists enjoyed their liquid muse so much that tears of whiskey fell when the glass was empty.

At Writers' Tears, we are passionate about tradition and innovation, and dedicated to the recognition of Irish whiskey as one of the world's most appreciated spirits. This comes to life through the re-creation of select recipes from the turn of the century – Ireland's golden era of whiskey distilling, and the introduction of innovative new expressions for new palettes in a new era.
